Mrs. Bertha Griffin, Chairman  
Education Committee  
Clinton Hill Neighborhood Council  
26 Shanley Ave.  
Newark, New Jersey

Dear Mrs. Griffin:

You, the members of your Committee and the Clinton Hill Neighborhood Council have been more than patient in waiting a year to follow up on our meeting with the Newark Board of Education.

This letter is your assurance from our Chairman, Al Mark and I that you will hear from us just as soon as we are able to arrange a meeting with representatives of the Board of Education.

Mr. Mark and other Commission members have been greatly interested in this entire area of Newark life and the Commission has discussed many aspects of the total problem, but has not yet had a follow up meeting with the Board of Education. We shall do our best to rectify this omission immediately.

Very sincerely yours,

Daniel S. Anthony,  
Executive Director
